## Score Sheet

Start on any page. Use the magnifying glass to compare a real painting to the same one with ghostly changes.

Search all the real paintings to discover where each ghostly change came from. Keep track of your findings on this score sheet. Give the ghosts a point for each different change they made to a painting. If you need a new score sheet, you can download one at [birdcagepress.com/ghosts](http://birdcagepress.com/ghosts).

Add up all the changes to see which ghost painted the most!
